

Environmental Policy

Generator Property Management Pty Ltd (GPM) is a company established under the *New South Wales Electricity Generator Assets (Authorised Transactions) Act 2012* to manage former Electricity Generation Assets and other activities.

GPM is a corporation that manages operations at two sites and undertakes the majority of its projects and routine activities using contracted resources and specialist consultants.

GPM senior management are committed to ensure that protection of the environment is firmly embedded in both the company's and employees' culture. We will endeavor to influence our suppliers, consultants, contractors and customers to adopt a similar environmental protection culture..

GPM is committed to protecting the local and wider environment and to minimise environmental impacts as a result of our activities, products and services and we shall:

- Comply with applicable legal requirements and other endeavors to employ recognised best practice techniques and processes in undertaking our activities.
- Include the consideration of environmental issues in all business strategies and initiatives.
- Conduct regular reviews of environmental risks and ensure adequate mitigation measures are in place.
- Prevent pollution, reduce waste and minimise the consumption of resources.
- Consider the wider global impact of all our activities, including those of our suppliers, customers, and other stakeholders.
- Educate, train and motivate employees to carry out tasks in an environmentally responsible manner and ensure that a continuous professional development strategy remains core to our business goals.
- Encourage environmental protection among suppliers and subcontractors.
- Influence our suppliers, customers and third parties to consider life cycle impacts of their aspects and activities.
- Encourage and enhance biodiversity and ecology.

GPM is committed to continual improvement of environmental performance. This Policy will be communicated to all staff, contractors, and suppliers and will be available to the public through selected media.
